## ARTIST BIOGRAPHY

*CAY is a Cologne-based artist whose sound is as distinctive as it is deeply moving. Known for crafting richly layered, melodic compositions that carry a strong emotional pull, he creates music that resonates far beyond the dance floor. His unique approach blends intricate textures with an unmistakable sonic signature, making each track an immersive experience.*

*Over the years, CAY has built an impressive track record of collaborations and releases with some of the most respected names in the scene. He has worked on two collaborative tracks each with Artbat and MindAgainst, and his music has found a home on acclaimed labels like Upperground and Habitat. Now, he is preparing to unveil his most ambitious project yet — his debut album, set to be released on Habitat — marking a new chapter in his artistic journey.*
